# SAMPLE GOVERNMENT WORKS PAYMENT & AUDIT RECORD

**AEGISAI DEMONSTRATION DATA — FICTIONAL DOCUMENT**

Important: This document is entirely fictional and created only for testing the AegisAI prototype. It is not an authentic government record, bill, voucher, sanction order, or proof of payment.

## 1. Project and Department Details

| Field | Sample value |
|---|---|
| Department | Rural Development Department |
| Office | District Panchayat Demo Office |
| Project ID | RD-DEMO-2026-014 |
| Project name | Village Internal Road Improvement — Demo Package |
| Location | Demo Village, Example District, Telangana |
| Financial year | 2025–2026 |
| Administrative approval reference | AA/DEMO/2025/041 (fictional) |
| Work order reference | WO/DEMO/2025/118 (fictional) |
| Contractor | Example Infrastructure Services (fictional) |

## 2. Work Measurement and Bill Summary

| Item | Description | Quantity | Rate (■) | Amount (■) |
|---|---|---|---|---|
| 1 | Earthwork and site preparation | 100 m³ | 450 | 45,000 |
| 2 | Granular sub-base laying | 80 m³ | 1,250 | 1,00,000 |
| 3 | Cement concrete road layer | 60 m³ | 3,000 | 1,80,000 |
| | **Subtotal** | | | **3,25,000** |
| | **Illustrative deductions** | | | **25,000** |
| | **Net amount claimed** | | | **3,00,000** |

## 3. Payment and Verification Details

| Field | Sample value |
|---|---|
| Bill number | MB-DEMO-2026-033 |
| Bill date | 15 February 2026 |
| Claimed amount | ■3,00,000 |
| Payment reference | UTR-DEMO-000781 (fictional; not a real bank reference) |
| Payment date | 20 February 2026 |
| Measurement book reference | MBK-DEMO-2026-033 |
| Completion certificate | Listed as attached — not included in this sample |
| Bank statement reference | BS-DEMO-FEB26 — not included in this sample |

## 4. Preliminary Audit Checks (For Prototype Testing)

| Check | Observation to test in AegisAI |
|---|---|
| Arithmetic verification | Recalculate each quantity × rate and compare with the stated amount. |
| Document completeness | Completion certificate and bank statement are referenced but not supplied in this sample. |
| Payment verification | Payment reference is a fictional placeholder and cannot be verified against a real bank record. |
| Cross-document matching | Compare project ID, bill number, work order, dates, contractor, and amounts across uploaded records. |
| Human review | Any alert must be treated as a preliminary observation requiring auditor verification. |

## 5. Prototype Expected Extraction Fields

Document type: Works payment bill / audit record
Expected entities: department, project ID, work order, contractor, bill number, bill date, line-item descriptions, quantities, rates, subtotal, deductions, net claimed amount, payment reference, payment date, measurement book reference, and referenced supporting documents.

**Demo-only note:** Do not use this file as evidence of an actual transaction or as a real government document. For a realistic end-to-end test, upload this sample together with separately labelled fictional work order, invoice, measurement book extract, and bank statement samples.
